MEMORANDUM FOR: Acting Director of Personnel

Bob:

Returned per our conversation. I agree with you that the main body of para 1 and para 2 should contain the language of Sub-para a, b, and c are new (copied from State) and look all right to me but since they were not discussed in the PAB meeting some coordination may be needed. This should not be difficult.

I don't know the basis for the effective date but, as stated, I believe it could be subject to more than one interpretation. It could possibly mean the date of orders--a personnel action--sometimes a considerable difference in time, or it could mean the date of departure or arrival.
